

What to Expect When You Volunteer at HOPE Missions

HOPE Missions provides a safe place for people to come and enjoy breakfast, coffee, juice, and fellowship Monday through Saturday from 7:15-10:00 am. We call this ministry “Honey’s Place,” in honor of Honey Denison for her faithfulness to serve the least of these in our community. Our mission is to share the love of Jesus Christ by building relationships with people who are dealing with deep poverty, homelessness, addiction, loneliness, and worse.

Volunteers have quite a bit of flexibility when serving at Honey’s Place. Some can only be here an hour before they go to work. Others can come early and stay late. The best way to learn is to simply show up and serve somewhere.

One thing we ask is you come with an earnest desire to be the hands and feet of Jesus. As we think about the idea of practicing hospitality, we know we won’t always get it right, but that should not prevent us from trying something new while looking for ways to improve each time.

The simple idea here is to share with those in need. I would add, share with intentionality, not accidentally. Pray that God has prepared your heart to be a servant of Christ.
