

# Prayer for the Unhoused

Heavenly Father, we turn to You today, bringing forth the plight of those who are unhoused, those without homes. We ask that You bless them with comfort in their discomfort, strength in their struggles, and resilience in the face of adversity.

May Your love envelop them, reminding them they are not alone or forgotten. Please provide them with hope, a hope that can pierce through the darkest nights and the harshest realities. Fill their hearts with courage to face each new day despite the trials they encounter.

Lord, we pray for those who extend a helping hand to those experiencing homelessness. Bless them with patience, compassion, and the resources needed to make a difference. Guide them as they strive to provide physical nourishment, emotional support, and a sense of community.

May those who are unhoused feel Your presence in their struggles, Lord. Let us show each other the love of Christ so each may know they are loved and valued. Provide comfort during cold nights, strength during challenging times, and hope for a brighter future. Amen.
